Get total facial renewal with the *triniti* Skin Series

Save time and get beautiful results with three treatments in one session!

Reverse the signs of ageing and achieve a more youthful appearance without downtime with the triniti Skin Series which harnesses three technologies simultaneously to achieve total facial renewal – with minimal discomfort and downtime!

Each triniti treatment session includes:

1 IPL Fotofacial Colour Correction – Treats spider veins, age spots, uneven skin tone and sun-damaged skin.

2 Refirme™ Skin Tightening – Targets telltale signs of ageing, including jowl and neck laxity, sagginess under the eyes, saggy brow lines and nasolabial folds.

3 Matrix IR™ Fractional Wrinkle Treatment – Resolves wrinkles, and skin texture becomes smoother and more elastic.

One of the most sought-after treatments at The Lifestyle Clinic, patients like it for its significant skin improvement immediately after the first treatment with better results as time goes by. “The triniti Skin Series is highly recommended for those who want to remain youthful without going under the knife. It is also ideal for men who want to look rejuvenated and refreshed without any downtime,” says Dr Komathy, founder of the clinic.

For best results, three to five sessions spaced four weeks apart are recommended. Total treatment time is about 40 to 60 minutes with an additional 15 to 30 minutes if the neck is being treated.
